Re : 27th Annual Art Exhibit

Dear Ms. Monson,

Thank you for inviting the Embassy of Indonesia to participate in your 27th Annual Art Exhibit.

It is interesting to note that the motto of your organization is "we bridge the language gap." This motto is indeed a fine example of the Canadian practice of building bridges to bring citizens closer to a common understanding despite cultural differences.

We fully commend your endeavor in providing language services including Indonesian language. However, under current circumstances the Embassy is unable to make a contribution to your gala event. Should this situation change, it would be our pleasure to make a donation in the near future.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Sadewo Joedo". The signature is written in a cursive, somewhat stylized script. Below the signature, there is a horizontal line that serves as a separator between the signature and the printed name.
